....making a difference...

The project is funded by the Australian Government's continuation funding of the 'Tools for Parents' project until June 2017— to provide free workshops and ongoing courses designed to help parents/primary carers of children 0—12 years develop better relationships between themselves and with their children —and to enhance parenting skills. Richmond Community Services Inc . purchases group and workshop facilitation from Windsor Professional Centre and childcare services from Hawkesbury Community Outreach Mobile Mindsers Service for the project and is delighted to offer them free to participants.
