Outings and Duty of Care

At Hawkesbury Neighbour Aid, client safety is our top priority, and we are fully committed to our Duty of Care.

During outings, our volunteers, bus drivers, and bus assistants are responsible for your safety and support. They help you use our services.

To help our volunteers fulfill this duty, please:

- Stay with the group at all times
- Remain at the designated venue during outing

By following these guidelines, you allow our team to ensure your safety and provide any needed assistance. Our goal is for all clients to enjoy outings with full support within the community.

Coordinator Catch Up

Greetings everyone – This will be our last Coordinator's Catch Up for the year and what a year it has been.

Can you believe that another year has passed and that we are looking down the barrel of 2026. We here at Neighbour Aid are certainly looking forward to what next year has to bring. We hope that our outings continue to be enjoyed and that all our services help our clients live their best life – we love what we do.

By now hopefully you have had a chance to meet Linda, our new Activities & Engagement Officer, and are getting familiar with the changes we have made. Both Linda and Marilyn are enjoying their new roles.

We hope that you have been enjoying the outings so far this year and are always happy to hear any suggestions for outings that you may have.

Thanks must go to Irene and Linda who put so much time and effort into preparing the calendar and trying their best to ensure that our outings are varied and enjoyable.

You will notice that we have included lots of information with the January to March Outings Calendar. This is to try to keep you up to date with all the changes that are happening within Aged Care.

One of the most important things to know is that a New Aged Care Act came into effect on 1 November 2025 and this will have an impact on how some services will operate from 1 November onwards.

Please do not worry too much about the service you currently receive from Hawkesbury Neighbour Aid for now, there will be very little change, and we will certainly let you know of any significant changes that will impact on our service and clients.

If you have concerns, please do not hesitate to contact us on 4588 3510 to discuss.

Christmas and Office Closure

It's beginning to look a lot like Christmas

Please be aware that our office closes on Thursday 18th December and reopens on Monday 5 January -**there will be no home visits or outings during this period.**

If you are currently receiving a shopping service, I have asked volunteers to check with you if you will be ok during this closure and to arrange an extra shopping time before we close if you require it.

It is important that we give the opportunity for our hard-working volunteers to take a little time for themselves over this period, and to rest up ready to hit the ground running in 2026!

Coordinator Annual Leave

I will be on Annual Leave from Tuesday 2 December, returning on Monday 5 January. But never fear, the more than capable Linda and Marilyn will be holding the fort in my absence. Linda can be contacted on 4588 3509 and Marilyn on 4588 3510.

Hoping that your Christmas is wonderful and you get to spend time with your friends and family and perhaps there may be a little something under the Christmas tree for you.

Take care and Merry Christmas

More Ways to Connect at RCSI

While our Neighbour Aid calendar is packed with fabulous outings, RCSI also offers a few programs you can join independently.

Each Monday at 1:30pm at the Neighbourhood Centre we have a gentle yoga class to help you stretch, relax, and stay active. Cost is \$5 per session payable on the day.

Once a month we host our ‘Coffee, Cake & Connection’ gathering—a lovely chance to enjoy a treat and catch up with friends. These activities are a wonderful way to stay connected with the community—just make your own way and come along when it suits you!”

5 Feb Financial Empowerment with Bendigo Bank

5 Mar International Women’s Day Gathering

In 2026 we will also be offering you transport to attend our Evergreens program which is a great opportunity to connect (details for these sessions are in the calendar).
